

Statements by the United States at the Meeting of the WTO Dispute Settlement Body

Geneva, March 10, 2015

4. UNITED STATES – ANTI-DUMPING MEASURES ON CERTAIN OIL COUNTRY TUBULAR GOODS FROM KOREA

A. REQUEST FOR THE ESTABLISHMENT OF A PANEL BY KOREA
(WT/DS488/5)

- We are disappointed that Korea has chosen to request the establishment of a panel with regard to this matter.
- As we have explained to Korea, the measures identified in its request are fully consistent with U.S. obligations under the WTO Agreement.
- For these reasons, the United States is not in a position to agree to the establishment of a panel today.
